

The CE Wizard Checklist

Massage Therapists &
Acupuncture Physicians

To get CE credits at The CE Wizard, massage therapists and acupuncture physicians can follow these general steps:

Get ready to be Inspired! Receive you CE credits while experiencing the most innovative, hands on modalities.

1. Check the requirements for CE credits with your State and National regulatory boards to determine the number of continuing education credits required for renewal. Make sure that you know your renewal date.
2. Choose which course you would like to experience. You may contact Jeanne with any questions by email or phone. All teachers here are passionate and professional and here to support your success.
3. You may register online or you can call Jeanne. If online, make sure that all information is filled out and is clearly written. If you are a license practitioner I will need your professional license number.

The CE Wizard Checklist

Continued...

4. If you are coming from another state make sure to plan ahead for a hotel or bed and breakfast. Visiting the Land Of Enchantment is magical. Your teacher will be happy to give you some helpful resources to make your trip smooth.

5. When you have attended the entire workshop, you will be presented with a Certificate Of completion including your continuing education credits that you have earned. If your license is in the state of Florida, or any other state that utilizes cebroker.com; your credits will be recorded approximately 10 days after class. If your are running late inform your teacher and I will do my best to record it when needed. It is best to plan ahead.

Bonus Tips

Make the most of your training experience.

1. Arrive on time.
2. Stay hydrated and get good quality rest the night before class. I will have healthy snacks; however bring whatever else that you may need in the way of nutrition.
3. Be fully present throughout the course.
2. Participate actively during all hands on and interactive components of the course.
3. During the question and answer time; communicate with your teacher about anything that needs to be clarified.
4. Bring a note book for taking notes. Review the notes after class. This will reinforce what you have learned.
5. Reflect on your experiences and insights. Consider how you can integrate what you learned into your practice.
6. Share your experiences with your colleagues which will expand your professional network.
7. Make sure that you take full advantage of the after class continuous support from The Ce Wizard. We have student study groups to practice, share and review.
